

# Pinnacle Sales

Supplying Demand through Quality Relationships

## PLUMBING

## HEATING

**Our Company** - Pinnacle Sales has been representing leading manufacturers in the plumbing and heating industry since 1991. Our team works closely with wholesalers, specifiers, end users, and mechanical and residential contractors to create demand for our principals and service the needs of our market. Our knowledgeable inside and outside sales team is ready to partner with you on any of the products we represent.

**Our Mission** - We strive to be a company known for integrity, quality long-term partnerships, in-depth product and marketplace knowledge, and continual sales growth for our principals and partners.
